*Hello Everyone,*

We hope you had an enjoyable winter and are ready to get back to warmer weather! By the end of June, the Cove should be in full swing again for another fun summer. Looking forward to seeing all of you on the beach!

### Meeting Dates

July 26

We urge **ALL** members to please attend Society meetings. We want **EVERYONES** input!!!

### Dues/Spraying

Association dues should be mailed and sent to Ginny by June 15. Please see attached form.

Mainly Ticks will be in the Cove between July 1-3, pending weather. And again, July 29/30 for those who'd like a second spray. Due to costs, they are no longer able to offer a discount for the second spray option. Please see attached form.

### LIS Games & Potluck

Friday, July 25 – Kids Games  
Saturday, July 26 – Potluck

If you are interested in volunteering, please contact Keely at [keely@simple101.com](mailto:keely@simple101.com)

### **New Members**

None at this time

To Note: The Mays have sold their camp to the Mancini/Coynes. We will miss not having them as part of our Cove! However, they are not too far down the road so I'm sure we will see them now and then.

### **Obituaries**

Sadly, we will miss Mary Morgan of Sandbar Road. Our condolences to the family.

### **Bylaws**

Amended by laws were sent October 10, 2013.

### **House Keeping**

The new kiosk and no trespassing signs will be installed later this spring

Thank you to Howard Boyden for repairing the dock!

Volunteers needed/welcome to help with the swim ropes, float and dock

New volleyball net will be purchased/set up by July 4

### **Safety**

Please drive carefully through our Cove. There are so many kids running around that we need to take extra effort on our streets.

### **Clean Up**

Please remember to keep our beach (and roads) clean. As it is our own private beach, it won't ever be perfect, but if we can all take care of our own trash and the occasional miscellaneous items that are left behind, the view will be much more enjoyable for all.

### **Respect**

As always, please respect all neighbors with noise levels and trespassing. We all love our special community for different reasons, so let's continue to make it a place everyone can enjoy.
