### *Hello Everyone,*

Warm weather is just around the corner and that means summer in Ward's Cove. We hope you all had a healthy winter and look forward to seeing you soon.

We have a few announcements to note:

### Obituaries

A donation was made to the Sebago Fire & EMS in memory of Daniel O'Brien who passed away last Fall. We give our deepest condolences to his family.

### Website

Don't forget to check our website for updated information on events, meetings, minutes, etc - [www.LISWardsCove.com](http://www.LISWardsCove.com).

You can also **PAY** and **SUBMIT** your dues/spraying form online as well.

### Mosquito Spraying

This year's spray by Mosquito Squad will automatically INCLUDE THREE TREATMENTS per your location. It will occur every 3 weeks starting June 20th. This is the most effective treatment to help eliminate the pesky bugs. The Barrier Spray will be applied around the exterior of your home and throughout your yard to target not only mosquitoes, but ticks, flies, fleas and other biting bugs. The LIS will also be paying for treatment in the beach area.

Three Treatments Every 21 Days - Week of June 20th, Week of July 11th and week of August 1st Treatments. This plan provides great protection for 60 plus days and provides our best coverage.

Single Lot Treatment - \$139.00

Double Lot Treatment - \$229.00

Triple Lot Treatment - \$299.00

*This company offers a satisfaction guarantee and will come back at no charge and provide another treatment to your property if you are highly unsatisfied. However, the LIS Boards asks you to please keep in mind that this is within reason as we all know you can't eliminate every single mosquito!*

## Safety

### The SPEED LIMIT HAS NOW CHANGED TO 15MPH on Wards Cove Road.

Thanks to the efforts of Bill Cassidy, who led the charge with the town last summer, the speed limit is now legally 15 mph on Wards Cove Road. We hope the new signs will be up by mid June at the latest.

Please drive carefully through our Cove. There are so many kids running around that we need to take extra effort on our streets.

## Clean Up

Please remember to keep our beach (and roads) clean. As it is used by a lot of our members daily throughout the summer, it won't ever be perfect, but if we can all take care of our own trash and the occasional miscellaneous items that are left behind, the view will be much more enjoyable for all.

## Respect

As always, please respect all neighbors with noise levels and trespassing. We all love our special community for different reasons, so let's continue to make it a place everyone can enjoy.
