Safety

The SPEED LIMIT HAS NOW CHANGED TO 20MPH on Wards Cove Road.

Thanks to the efforts of Bill Cassidy, who led the charge with the town last summer, the speed limit is now legally 20 mph on Wards Cove Road.

Please drive carefully through our Cove. There are so many kids running around that we need to take extra effort on our streets.

Clean Up

Please remember to keep our beach (and roads) clean. As it is used by a lot of our members daily throughout the summer, it won't ever be perfect, but if we can all take care of our own trash and the occasional miscellaneous items that are left behind, the view will be much more enjoyable for all.

Respect

As always, please respect all neighbors with noise levels and trespassing. We all love our special community for different reasons, so let's continue to make it a place everyone can enjoy.
