

Hello Everyone,

According to the calendar, the first day of summer arrives next month although the temps around here are not exactly showing us this. With that, I am looking forward to Memorial Day weekend as the unofficial start of summer as well as reuniting with all our LIS Community!

Meeting Dates for the 2019 season

Saturday, June 22

Saturday, July 27

Saturday, August 24

Remember meetings are held at 10am on the LIS Beach. We look forward to seeing you there

Dues

Dues has remained the same valuable rate of \$100 /household for quite some time. It is important to continue paying your annual dues to cover important items like insurance that covers the LIS, maintenance of the items used on the beach floats, ropes, tables, docks, clean up etc. Dues fees goes towards our Annual Potluck and other events for LIS members.

Mosquito Spraying

Turf Tamers are returning to apply Mosquito & Tick this season.

The **TOTAL** cost for the season spraying is listed below.

Single Lot treatment – \$120.00

Double Lot Treatment - \$210.00

Triple Lot Treatment – \$255.00

Please note this is a discounted rate for LIS dues paying members only.

Housekeeping

The LIS boat dock will be put into the lake on June 6th.

Volunteers are always needed & welcome to help with the swim ropes, float, dock, volleyball net table etc. by the June 22nd meeting. We also would need the same assistance to take out these items Labor Day weekend.

Clean up

Please remember to keep our beach (and roads) clean. As it is used by many of our members daily throughout the summer, it won't be perfect, but we can all take care of our own trash and occasional miscellaneous items that are left behind. The view will be much more enjoyable for all.

Events

Events are created by LIS members on a volunteer basis. We welcome all members to participate in helping with all events especially the Annual Potluck which has been a long-standing tradition. If you are interested in volunteering in any way, please contact one of the Board members.

Don't forget to check our website for updated information on events, meetings, minutes, etc.
