

Greetings Lakeview Improvement Society Members,

We hope that this newsletter finds you and your families in good health. The recent couple of months in 2020 has certainly been a challenge for many however as the weather starts to warm, we can put those months behind us and look forward to Summer on Sebago Lake. For those traveling from out of state we recommend reviewing the State of Maine guidelines as the state begins its reopening stages.

We have a few announcements to note:

Meeting Dates

June 27

July 25

August 22

Meetings are held at 10am on the Beach.

We are due to have elections this year for new Board Members. If anyone is interested in running for an officer position, please notify Kathy Rodriguez prior to the June meeting date. Volunteers are always welcomed and appreciated.

Dues / Mosquito & Tick Spraying

Annual LIS dues are currently \$100.

Southern Maine Mosquito & Tick Control will be back to spray this year.

The Total cost for spraying this season:

Single lot treatment – \$105.00

Double lot treatment – \$165.00

Triple lot treatment – \$255.00

This is a discounted rate for LIS dues paying members only.

Weather permitting spraying will start a little earlier this year, so we recommend you submit your \$100 LIS dues & spray fee through the LIS website www.LISWardscove.com

Checks made payable to LIS can be mailed to:

Beach

We are fortunate to have such a desirable beach to share among ourselves. Please remember to be respectful of the property and others by keeping it clean. Be considerate of each other and bring up what you bring down from the beach. Chairs, floats etc. ideally should be moved off the beach at the end of the day or stored neatly by the bush. Always keep the walkway paths clear allowing members to walk without tripping over themselves. The rules are clearly posted at each path to the beach.
