## Beach

We are fortunate to have such a wonderful beach to share among ourselves. Please remember to be respectful of the property and others by keeping it clean. Be considerate of each other and bring up what you bring down from the beach. Chairs, floats etc. ideally should be moved off the beach at the end of the day or stored neatly. Always keep the walkway paths clear allowing members to walk without tripping over themselves. The beach rules are clearly posted at each path to the beach.
