

# 2022 LIS Newsletter

Greetings,

Welcome to the 2022 season at Wards Cove. We are finally seeing a nice stretch of pleasant weather and looking forward to spending some time at our “Happy Place” on the Cove.

Our meetings are held the fourth Saturday in June, July, and August at 10am on the beach. At the August 2021 meeting we announced that the Annual Dues is now \$150. This amount has been updated on the LIS website.

[www.LISWardsCove.com](http://www.LISWardsCove.com) Dues is collected to cover the costs of insurance, the annual supper, beach, swim area improvements etc.

Nominations for new officers will be accepted at the June meeting with elections to take place at the July meeting. We encourage all to get involved and volunteer.

Southern Maine Mosquito and Tick Control will be returning this year to spray for dues paying LIS members that pay for this treatment. Fortunately, their fees will stay the same as last year. Spraying will start the week of May 23 weather permitting.

The crew will then return the week of June 20<sup>th</sup> and lastly the week of July 18<sup>th</sup>. Spraying fees are listed on the LIS website. [www.LISWardsCove.com](http://www.LISWardsCove.com)

We are excited to have a Potluck Committee putting together this years Annual Supper July 23<sup>rd</sup>. Details for this event will follow.

Remember in addition to email and the LIS website, notices are posted in the LIS Kiosk located at the top of the path to the beach on Wards Cove Road and on Sandbar Road.

Please welcome the new families that have moved into the Cove in the past year.
